Station Madras, Dated the 29th September 1921

From (Name) S.Cox Esq.,C.I.E.,I.F.S.,

(Designation) Chief Conservator of Forests.

To The Secretary to Government,

Development Department.

Sir,

I have the honour to submit herewith for approval and publication in the Fort St.George Gazette, draft erratum to the notification published under G.O.No.318 Rev. dated 9-2-1907 declaring Aletti West block in the South Kanara District a reserved forest under Section 16 of the Madras Forest Act of 1882.

2. In the notification, the portion of the eastern boundary of the block, between cairn Nos.32 and 33 is described as follows

"and on in the same direction (as the west side o "S.No.284) for about 24 chains to cairn 33 on the "left bank of the Kanakur stream".

3. This description is irreconcilable with the actual state of things on ground.

One and a half chains from cairn 32 (South west corner of S. No.284) does not take the boundary at all to the stream which lies much further east while in the original Forest Settlement map the stream is wrongly marked far west of its actual position, so as to coincide with the notification.

It is now proposed to rectify the error in the original description.

I have the honour to be,

Sir,

Your most obedient servant,

For Chief Conservator 30/9
